Paper under disposal

I submit for perusal, Comptroller's letter No.5336/1357 dated the 27th March 1907 in connection with certain menial establishment attached to the residence of the Dewan at Bangalore.

This establishment has been in existence for over 20 years and has been continuously employed in the residences of all my predecessors without exception. It was transferred to my residence from that of Sir P.N. Krishna Murti in April 1906, along with other menial establishment of dalayets and peons, and did at no time attract any special notice either of myself or of the then Comptroller Mr. Basu as being a special concession. Even when I put forward, later on, my reasons for an allowance in place of a free furnished house &c., it did not occur to me to take into calculation either the expensiveness of, or the necessity for maintaining an establishment of the kind in question at my residence.

The total charge on account of these two establishments, disbursed from 29th March 1906 (the

date on which I took over charge of my office here) till the 30th June last, amounts to about Rs.1,300 and the Comptroller proposes to transfer the whole of this amount to my private account.

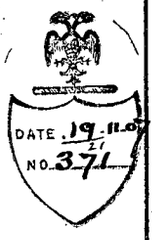
The matter was only brought to my notice about the middle of June last and I at once ordered that the whole establishment should be disbanded and my grounds looked after by a less costly private staff, only a small batch of convicts (with the Warders) being retained.

I venture to think that the charges up to the end of June last should be borne by Government and submit the papers for His Highness' orders.

As regards convicts and warders, I may mention that the detailing of convicts for work in the Dewan's compound has come to be looked upon as a privilege attached to the position of the Dewan. The continuance of this privilege is also a matter for His Highness' orders.

19/11/07

Record of Cases submitted for the Orders of His Highness the Maharaja.



Subject.

Question of the adjustment of the charges already incurred on account of the garden establishment attached to the Dewan's residence and for extra guard for prisoners employed thereat; and of the continuance of the privilege of detailing convicts for work in the Dewan's Residence.

Order.

In view of the long continued practice, the charges in suspense may be debited to the State.

The privilege of detailing convicts for work at the Dewan's residence may be continued.

SIR,

I have the honour to state that the following charges are being incurred in connexion with the residence of the Dewan at Bangalore :-

1. Establishment attached to the Dewan's official residence consisting of 6 hands and costing Rs.54/- a month and

2. Pay of extra guards for prisoners employed at the Dewan's residence, costing on an average about Rs. 30/- per mensem.

2. In Government Order No.Fl:6281-2/S&A.510-06-1 dated 19th February 1907, the pay of the Dewan was raised to Rs.4,000/- and it was directed that out of this pay Rs.500 should be taken to be in lieu of a furnished house at Bangalore.
